

## We invite you to take part in the festival!

### Purpose of the Festival:

Create a platform to demonstrate professional skills, exchange experience and strengthen partnerships between forest education institutions between the CIS countries.

### Festival participants:

Students from State, Commercial Institutions of High, Secondary Specialized and Vocational Education who are ready to demonstrate their knowledge and professional skills in the field of forestry.

### Press release

A distinctive feature of the Festival is the combination of a professional skills competition and an educational and leisure program.

The competitive part consists of the “Forest Path” quest and the “Lumberjack” competition itself.

As part of the educational program, teachers have the opportunity to take part in Master Classes, trainings and seminars. The students enjoy participating in quizzes and sporting events. Guests will also enjoy a rich leisure program visiting the main attractions of the town.

**The cost of participation is calculated individually!**
